RESPONSE TO MISSING PARTS AND PETITION TO GRANT ORIGINAL
FILING DATE

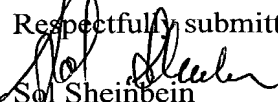

Sir:

This is a response to the attached Notice of Incomplete Nonprovisional Application dated February 27, 2002, which response is being made on or before April 27, 2002, and for which no extension fee is due.

By said Action, the application was deemed incomplete for failure to attach drawings to the application and the filing date not accorded as a result thereof.

By this response, Applicant herewith attaches four pages of drawings, comprising Figures 1-8 that are discussed in the application, beginning at Page 5, and continuing through Pages 6-13. While not included in the original application, the drawings are basically schematic diagrams, some in block form, illustrating what is clearly described in detail in the application at Pages 6-13. No new matter is included in the drawing Figures that were not previously disclosed in the drawing Figures.

As such, the original filing date should be granted this application, and such action is respectfully requested. Please charge \$ 130.00 and any additional fees, if required, to Deposit Account **50-1407**.

Respectfully submitted,
